

Community Contact: Volume #2

Welcome to the second edition of the Alberta Oilsands (AOS) Community Contact! This newsletter is designed to keep our neighbours in the Fort McMurray region informed about AOS community activities and the Clearwater Project.

AOS in the Community

Congratulations to the Fort McMurray Métis Association Local #1935 for their very successful 10th Annual Infinity Golf Tournament last Fall which raised over \$112,000 towards their Education Bursary Program. AOS is anticipating the 11th Annual Infinity Golf Tournament scheduled for September 7, 2011 and returning as a community sponsor. For the past several years, AOS has been a sponsor of this event and we're very glad to be working together on the shared aim of helping Métis members achieve their educational goals.

AOS recently participated in the Fort McMurray Airport Authority (FMAA) AGM & Open House. We enjoyed our interaction with many residents, local businesses, and community organizations. The future Fort McMurray Airport expansion will provide a tremendous upgrade to local air transportation services, and the AOS Clearwater Project will provide funds to the airport through leasing and production revenues provided to the FMAA.

Community Survey: Help us choose where to invest

We're looking for your input – tell us where you want us to invest time and resources to help improve and sustain a healthy community life for all. Answer the few questions below and bring it to the AOS Open House at Heritage Park on September 14th and we'll give you a free gift card in return! Or, send it to us by email (community@aboilsands.ca) with your residential address and we will send you a gift card in the mail.

1. What community groups run programs for your children? For families? Seniors?
2. Which community program(s) do your family find beneficial in a significant way?
3. What community needs are not being met right now?
4. What non-profit agencies are in need of support?
5. What municipal infrastructure would make a big difference to your lifestyle and community?

Complete this survey and bring it on Sept 14th to the AOS Open House @ Heritage Park and we'll give you a free Tim Horton's gift certificate!

Thank you for your input! We will provide feedback on the responses in future newsletters.
